ALL IN READINESS FOR FAIR OPENING

Four-State Exposition Promises to Be Best in History of Ogden.

Special to The Tribune.

OGDEN, Sept. 21.—Practically everything is in readiness for the opening of the Four-State fair Friday. The offices of the secretary and manager will be moved from the city to the fair grounds Thursday morning. Many of the exhibits have already been placed in position and for the past three or four days solid carloads of livestock, horses, sheep and cattle, have been arriving at the fair grounds from all parts of the west.

In addition to the fair proper, the big International Sweet Corn show, which is being run in conjunction with the fair, will draw several thousand woolgrowers and sheepmen to the city. The big building for the sheep pens has been completed and all available space has been let for the exhibits.

The fair promises to be the biggest and best ever held at Ogden. In addition to the natural interest which will be created by the exhibits, there will be all kinds of amusements on the grounds. The fairgrounds are being improved at the same time. The management today signed a contract with the Great Western, a carnival company to furnish free exhibitions at the grounds. This carnival company will not open for business until next Monday. In addition to a balloon ascension, a high dive into a tank of water, and a full-rigged trained animal show, there will be shooting exhibitions and many other attractions during the week, which will be open to the public.

Superintendent Joseph Bailey of the Ogden Rapid Transit company says that a four-minute schedule will be maintained during the fair.

Howell Smothers Prohibition Instructions and Is Indorsed for Re-Election.

Special to The Tribune.

LOGAN, September 21.—When the temperance element and the insurgents attempted to have the Logan City Republican mass primary today go on record in favor of statewide prohibition, Congressman Joe Howell was right on the job and smothered the effort instantly.

Congressman Howell occupied a front seat in the Logan delegation, which was organized by the Eagle hotel, sprang a resolution calling for instructions to the delegation from Cache county to the effect that they should work for statewide prohibition. Then the congressman jumped up as if electrified and made the point of order that the city primary could not inaugurate the county delegation. Postmaster Joseph Odell moved that the resolution be tabled, and the motion carried by a big majority.

There was good attendance, but the primary was in the hands of and absolutely dominated by the machine. A resolution introduced by J. C. Walters, attorney at law, that the Logan delegation be instructed to vote as a unit for Howell for congress, was adopted.

Following are the delegates named to the state convention: District 1, J. C. Walters; district 2, J. C. Walters; district 3, J. C. Walters; district 4, J. C. Walters; district 5, J. C. Walters; district 6, J. C. Walters; district 7, J. C. Walters; district 8, J. C. Walters; district 9, J. C. Walters; district 10, K. C. Schaub.

Delegates at large were named as follows: H. A. Pedersen, Joseph Odell, Thomas Smart and George W. Lindquist. The following were selected alternates: H. A. Pedersen, J. C. Walters, C. Allen, Peter Christensen and A. F. Cardon.

Herschel Bullen, state senator, was named chairman of the primary, and Joseph Vitell, secretary.
